Infinite distance, edgy clarity: HORIZON.

For Autumn | Winter 2022 | 2023, SMINFINITY focuses on the line that separates the sky from the earth. Linear structures meet the fascinating, profound colour palette of sunrises. Translated as hand crocheted dégradé colour gradients, hand knitted linear structures or plated stripes. Hand-embroidered motifs of small boats on the horizon make a statement – inspired by the artist Dorothee Pfeifer, with whom Sabine Moschüring has a long-standing exchange. SMINFINITY stays on course – looking ahead, towards the horizon of the possible.
